

The diagram shows a vertical rectangular sheet with a solid magenta border. A solid magenta circle is positioned in the upper portion of the sheet. A dashed magenta line follows the top edge of the sheet, curving inward to form a rounded top. A dashed magenta line also follows the bottom-left corner of the sheet, curving inward to form a rounded corner. A solid magenta line extends from the top-right edge of the circle to the top-right corner of the sheet. A blue arrow points from the text 'OPTIONAL ROUND TOP' to the dashed line at the top-left corner. Another blue arrow points from the text 'OPTIONAL ROUND CORNERS' to the dashed line at the bottom-left corner.

OPTIONAL ROUND TOP
